2. Responsible Resident will instruct others on appropriate interactions with their animal and setting clear expectations.
3. All residents agree that the animal owner is solely responsible for the maintenance of the above described animal and to keep their animal under control at all times.
4. Responsible Resident agrees not to leave their animal unattended for unreasonable periods of time.
5. Responsible Resident agrees to make sure there are no odors by cleaning up after their animal and disposing of their animal’s waste properly and quickly (a separate plastic bag and using an outside dumpster).
6. Responsible Resident agrees not to leave food or water for their animal or any other animal outside their unit where it may attract other animals.
7. Responsible Resident agrees to keep their animal from being unnecessarily noisy or aggressive and causing any annoyance or discomfort to their roommates or community. Responsible Resident agrees to remedy any of these issues immediately.
